

Build crew job description

There is room for everyone in the build crew but we have split it into two divisions

The business battalions

Our unique wee town makes the festival everything it is.

We receive support from local businesses who like to get involved in the build. Our business battalions bring a crew of staff from their day-to-day jobs and get them involved in contributing to the festival site.

If you are a business looking to get involved, battalion duty is the highest rank of support and is highly sought after

If you have a business and some staff to give away for a day, contact Rachael to get them involved

The solitary soldier

So you don't have a battalion- come and join us. Our build crew is made up of cleaners, builders, electricians, joiners, cooks, nurses, accountants and loads more. Anyone can join the build crew, whether you have a tool box or not.

It's a guaranteed feeling of satisfaction to visit the festival when it's in full swing and know you helped make it happen

The logo for 'BIG BURNS SUPPER' is located in the bottom right corner. It consists of the words 'BIG', 'BURNS', and 'SUPPER' stacked vertically in a bold, blue, sans-serif font. The letters are thick and blocky, with a slightly irregular, hand-drawn appearance. The 'BIG' is the smallest, 'BURNS' is the largest, and 'SUPPER' is the same size as 'BIG'. The entire logo is rendered in a bright blue color.
