BIG BURNS SUPPER

CARLISLE FRINGE

Sponsorship case studies

STORY

Story Contracting supported Carlisle Fringe festival in 2018 with the collection and installation of our container theatre in the city centre.

Story sponsored the hire of their Hiab vehicle plus man power to install the container theatre at the beginning of the festival, and collect at the end of the festival.

Without this type of sponsorship, the costs to the festival would have impacted the budget and had an effect on the artistic budget.

Large Business Sponsorship

Small Business Sponsorship

W. Glendinning & Son

Annans Independent Kilt Hire Shop

W Glendinning & Son kilt shop in Annan supply the festival crew with kilts for the festival.

They first started sponsoring Big Burns Supper in 2017. Since then, they have dressed our festival teams with kilts for uniforms, photoshoots and even for the 2017 Scottish Thistle awards.

We didn't win the award, but we were definitely the best dressed.

The winter events team take great pride in their tartan uniforms & the sponsorship from W Glendinning & Son give the organisation flexibility in achieving the best dressed status year after year.

Some of our current & previous sponsors:

Sponsorship can take many different forms in our organisation and each donation is incredibly valuable to our programme of work.

Cash & in-kind sponsors make a massive difference to our festivals and the work we deliver.
